

**CYPRESS SCHOOL DISTRICT
MEASURE M BOND PROGRAM
VENDOR QUALIFICATIONS SUBMITTAL
STANDARD FORM OF QUESTIONNAIRE**

While Public Contract Code dictates an open bidding process, in order to be placed on a list of potential vendors receiving advanced or direct notifications for applicable projects, the District requires that prospective vendors answer questions contained in this standard form which includes background, experience, financial ability and references in performing public works projects.

These documents will be the basis of categorizing vendors with respect to the size and scope of projects upon which each company will be notified. All questions must be answered. If a question is not applicable, then indicate a response of "N/A". "You" or "Yours" refers to the prospective vendor's firm and any of its owners, officers and/or principals, including the Responsible Managing Officer/Responsible Managing Employee. If an explanation and/or additional sheets are required for any of the responses, please provide.

Completed questionnaire should be emailed to bidderlist@cypsdmeasurem.com
